BOOKING FORM

Trial by Jury is a short one act opera by Gilbert & Sullivan. It is the story of a jilted bride who takes her man to court to sue for breach of promise of marriage, with comic consequences! The professionals from Meridian Opera will sing the principal roles, but the workshop session will coach you to perform in the chorus. There will even be a ballot to allocate people to be in the jury on the stage itself!

Music and words supplied. Refreshments provided. Accompanied children welcome.

No experience needed, just bring your voice and come and join in the fun!
